

FOURTH ANNUAL

NYS  
PEDIATRIC ADVOCACY  
CONFERENCE

REQUEST FOR  
ABSTRACTS  
PRESENT YOUR  
POSTER

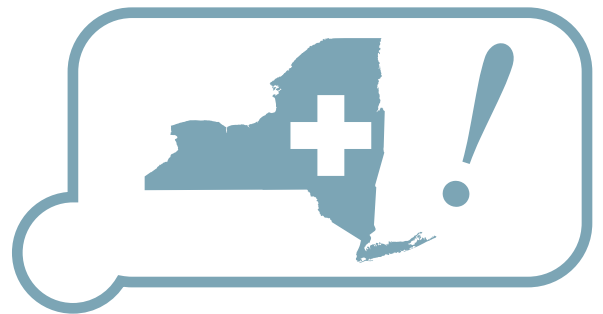

**WHO** Community organizations, medical trainees, educators et al. involved in child advocacy and community health.

**WHAT** Projects/research addressing diseases or health disparities in pediatric populations. Topics of interest include, but are not limited to: early childhood development, access to care, patient education, environmental health, academic performance, obesity, tobacco exposure, health justice and the effects of poverty.

Special consideration will be given to innovative strategies, evidence-based solutions, and model programs that can be implemented in other communities. Although this conference targets New York State, we welcome applicants from elsewhere for the purpose of sharing ideas and building partnerships. Works in progress are welcome.

Abstracts should be no longer than 500 words and should include: **Title, Authors, Institutions, Background, Design/Methods, Results** [may be preliminary or pending], **Discussion.**

MARCH 17, 2016  
COLUMBIA UNIVERSITY 9 AM  
MEDICAL CENTER • NYC 5 PM

WORK

**WHEN**

Submissions are due by January 28, 2016 and applicants will be notified by February 12<sup>th</sup>. Posters will be on display during the conference; select submissions will be recognized for notable contribution to the health of their communities and children.
